WOMAN WISHES TO

HELP OTHER WOMEN.

Says She wants them to know
of the Great Benefits she re-
ceived from Master Med-
icine Tanlac.

Mrs. W. C. Bailey made a jour-
ney from Kansas City, Kansas,
recently to the Federman 12th &
Main Street Drug Store, Kansas
City, Missouri, to pay a tribute to
Tanalac, the Master Medicine.

"I want to tell what Tanlac has
done for me," said Mrs. Bailey.
"I came here because I thought it
my duty, and I want other women
to know how I have been benefi-
ted, so that if they suffer as I did
they can take advantage of Tan-
lac too."

"I have suffered from catarrh of
the stomach for many months, at
times I grew so weak I could
hardly get around to attend to my
household duties. Gas would form
in my stomach after eating, and
the pains were so bad that I could
hardly walk. I had severe head
aches, and would grow extremely
nervous at times.

"And now look at me," smiled
the happy woman. "I wanted
you to see how much better I am.
I have used only one bottle of
Tanalac and if the other bottles I
came to get help me as much as
the first, I will be so well that no-
body will know me at home."

Speaking of Mrs. Bailey's re-
markable story and the spirit that
caused her to make a trip to the
Federmann Drug Store to tell of
the good Tanlac had done her, C. L.
Isaacs said: "I believe there is
no remedy that reaches the very
seat of stomach, liver, kidney and
catarrhal troubles as effectively as
does Tanlac. Nothing more con-
vincing of what it will do for
nervous, run down men and wo-
men can be told than the state-
ments that are being daily offered
by men and women who declare
Tanalac gave them relief."

Tanalac can be obtained in Jasper
at the H. F. Pitts Drug Store at
\$1.00 a bottle, three for \$2.75 or six
bottles for \$5.00.
